Dear Parents,

Liphook Academy of dance is delighted to inform you that they are looking to expand dance classes on Saturdays for children aged 6-12 years. This will take place after half term with free trial lessons Saturday the March 4th.

We would like to offer Tap, Jazz/musical theatre to ages 6-8 and 9-12 at Bohunt School.

The timetable will still enable your child to participate in their ISTD Ballet exam lessons, this is an opportunity to enrich your child's dance genres.

Classes will be taken by Jessica Paris ISTD.

Jessica trained at LAD from the age of 3-16 and then continued her dance professional training at Italia Conti where she gained her ISTD dance teaching qualifications.

Please can you email Rebecca Paris, dance@liphookacademyofdance.co.uk if you would be interested in a free trial lesson on Saturday the 4th of March at Bohunt School.

If you wish to then register, classes will be charged at the usual rates: 30 minutes £7.50 and 45 minutes £8. We will be trialling these classes for three weeks up to the Summer term and re-evaluate with the possibility of adding more classes throughout the year.

We hope to see you after the show at these new and exciting classes.

Private lessons available, requests via email.
