Show 2024

- We are working hard on developing your show packs for the January production "Space Odyssey".
- All children are involved and have nearly finished learning the choreography. Regular attendance is appreciated to complete the dances and polish them to show standard.
- As soon as the show packs are ready you will be able to download them from the website and will be given a paper copy to keep for reference.
- Please recognise the importance of observing timings as children will need to arrive 30 mins in advance of their slots to put on costumes and have hair and make-up checked on both show and rehearsal days.
- Please read through your pack carefully and inform us of any queries so they can be addressed well in advance of the weekend.
- A minimum of 2 parents from each class are asked to help backstage in the changing rooms during each show. We cannot produce the event without your help, so thankyou in advance.
- Please email in advance which show you would be able to help with so we can ensure all changing rooms are covered for both shows.

Dance Shop

- The dance shop will be at Liphook Junior School on the first Saturday of each term, and at the show weekend. Items needed at other times can be ordered by email or text from Anne and collected from her house in Liphook.

As usual any queries please email either Rebecca or Anne.
