

Liphook Academy of Dance

October Newsletter 2026

Dates

- Classes resume Saturday 7th November.
- Last lessons before Christmas Saturday 12th December.
- Lessons resume Saturday 9th January.
- All dates are on the website.

Show 2027

- The Wiz from Oz – 6th/7th February 2027
- As you are aware, rehearsals started in September and the show is coming together very well.
- We produce a show pack for your convenience which contains all timings, rehearsals and show details.
- Packs will be distributed soon. Please read them through carefully. It is important that children are prompt for classes and rehearsals as we work to a tight schedule.
- Although the LAD provides most show costumes and props, you may be needed to purchase a few items. Please ensure that you read through costume requirements thoroughly, and that you settle any show fees and costume orders with Anne to the relevant accounts.
- Tickets will be available soon. Please email Anne with order quantities.
- We cannot produce the show without muscle power. Friday 5th February we need help to rig lights and build the stage 7pm Liphook Junior School. Obviously we will also need help with the de-rig after the show finishes on the Sunday. Please email Anne to offer help, so far no one has done so.
- Costume fittings will take place on Saturday 14th November. Parents of primary, Grade 1 & Grade 3 please be available to help your child/ren try on costumes if they require assistance.

Please note that payment of invoices is now due.
Any queries please email me or chat after class –
dance@liphookacademyofdance.co.uk
Show enquires please email Anne – arr@lemur.co.uk
