### Covid Update

- Sanitising of hands and equipment will continue.
- Good ventilation is still being observed.
- Please provide your child with a ballet cardigan as windows will be open in cold weather.
- Please ensure that contact details are updated appropriately with Anne.
- If you have any concerns regarding your child having covid symptoms, if possible please take a lateral flow test before bringing them to class.

### Christmas Show

- More than ever we all need something joyful to look forward to. The current plan is a Christmas show involving rehearsals on Saturday 18<sup>th</sup> December and the show on Sunday 19<sup>th</sup> December.
- This is a project we will be working towards in lessons. If covid measures change and we are unable to perform on these dates due to lockdown etc the show will take place in Spring 2022.
- If you do not wish your child to take part please inform Rebecca asap. The show is not compulsory.
- The aim is to create a magical Christmas atmosphere for the children who I know have missed performing. More information will follow in the next few weeks. Please keep the dates free.

### Dance Shop

- The dance shop is open on the 11<sup>th</sup> and 18<sup>th</sup> September.
- If you do require anything in advance of these dates please feel free to email Anne at [arr@lemur.co.uk](mailto:arr@lemur.co.uk) and collection of items can be arranged.

### Congratulations

- Well done to all ballet exam candidates for passing their ballet exams in July. Incredible achievement at higher grades under recent circumstances including zoom class training.
- Good luck to Anna Naunton-Evans, Holly Saycell and Alfie Barton with their EYB performance of The Nutcracker in November.
